Ashbourne Community Transport

When you want to
make a difference!

DERBYSHIRE
County Council
Improving life for local people

We all have the ability to make a difference... the difference is... how we use it!

Ashbourne Community Transport provides an efficient and cost effective service to local people, of all ages, who have a need for transport because of personal circumstances or location. We help support local people and groups towards full social inclusion and a wider personal choice in life.

The work we do is very rewarding. It brings real pleasure and a sense of belonging to so many people. People, who would otherwise be unable to join in or even do some of the things we often take for granted.

To sustain this level of service, Ashbourne Community Transport is always on the lookout for volunteers to help with Driving, Passenger Assistance and Fund Raising.

Friends of Ashbourne Community Transport (F.A.C.T.)

is a voluntary support group who help with all aspects of fund raising - from street collections, to coffee mornings, to cake stalls, to concerts, or any event which helps us to raise funds.

You have the ability to make a difference!

If you have a few hours to spare why not come along and help us to help people live more independent lives.

You will enjoy the fun and friendly environment, the challenge of coming up with new ideas to raise funds, making new friends and gaining a sense of achievement and satisfaction.

Helping others is a truly rewarding experience.

Community Transport schemes throughout Derbyshire provide door-to-door services for individuals and groups who have difficulty accessing Public Transport either because of impaired mobility or lack of service in rural areas and for groups involved in community activities.

Volunteering is central to the success of these schemes.

Is Volunteering for you?

If you are caring and considerate. If you would like to help people in your community to lead more independent lives. If you want to develop your current skills and gain new ones. And if you want to feel a sense of achievement, then, without a doubt, you will make a great volunteer.

Plus, if you are friendly, outgoing and enjoy meeting people then you would make a great Friend of Ashbourne Community Transport and would be ideal for helping our fund raising activities.
